

community DESIGN CHALLENGE

Your name: _____

Design Challenge: How would you design a way for people in your community to get to know each other better?

Draw your design idea in the space below. Sketch it, label it, and then share it using the hashtag DesignForAll

What will you prioritize in your design?

Mark the cards you chose from the toolkit:

- | | |
|-------------------------------------|--------------------------------------|
| <input type="radio"/> accessibility | <input type="radio"/> durability |
| <input type="radio"/> appeal | <input type="radio"/> materials |
| <input type="radio"/> collaborators | <input type="radio"/> sustainability |
| <input type="radio"/> culture | <input type="radio"/> where? |
| <input type="radio"/> cost | <input type="radio"/> who? |
